

Health Education England

Covid-19: Management of acute respiratory symptoms

2 hour Webinar

In response to the recent outbreak of Covid-19 and the need to prepare additional front-line staff to care for patients with acute respiratory symptoms, Health Education England have organised and funded online training in the management of acute respiratory symptoms.

The training will consist of a 2 hour webinar which will be repeated over a number of dates subject to demand.

Content:

- Respiratory system overview including pathophysiology of ARDS
- Deteriorating patient – respiratory symptoms and management
- Oxygen delivery systems including basic non-invasive ventilation overview

Speaker: Angela Windle (RN, BSc Biological Sciences, MSc Nursing, Pg Dip Advanced Professional Practice, Pg cert Medical Ed) Advanced Clinical Practitioner, Leeds Teaching Hospitals NHS Trust and Senior Lecturer MSc Advanced Clinical Practice (University of Huddersfield).

Angela has worked in both adult and paediatric critical care areas, as well as working as a nurse at a children's hospice and a clinical skills educator for medical and dental students at the School of Medicine, University of Leeds. Angela has worked as a critical care outreach sister and as a member of the deteriorating patient collaborative at Leeds Teaching Hospitals NHS Trust.

Booking:

Booking is free, for details of dates and times please see overleaf.
