EVENT #5

SPECTRUM FESTIVAL OF LEADERSHIP & LEARNING

WE ARE ALL SYSTEM LEADERS NOW

**Rob Webster CBE , Lead Chief Executive – West Yorkshire
and Harrogate Health and Care Partnership (ICS)**

**13th October 2021
14:30 – 15:30**

This **FREE CPD learning session** is aimed at those working in integrated care systems.

People need more joined up and integrated care in a post pandemic world where health inequalities are starker than ever. This poses challenges for us as leaders in our organisations and in our systems.

This session will set out practical measures by which leaders can become more effective at all levels using real life examples and personal experiences alongside academic studies. Rob will make the case of how we all need to be system leaders now.

By the end of this session, you will:

- Gain practical hints and tips on being an effective system leader
- Learn about support and resources available for all
